# #uhleague

At **uhlsport**, we believe in the strength of the team. Football is a team sport where every player makes an important contribution. Only together can we celebrate great successes.

That's why we support teams worldwide with everything they need. Our collections offer high-quality apparel, balls, bags, and accessories - ensuring every team is perfectly equipped to shine on the pitch.

Together, we play in our own league. We call it the **uhleague**. Always with the goal of continuously growing and setting new standards.

# FOR THE PLANET

We are driving progress. For us, this also means taking responsibility. For our fellow human beings - for our environment - for our products and their manufacturing processes.

We place great value on fair treatment of our employees, suppliers, customers, and all stakeholders in the production and supply chain. We take the challenge of actively protecting the environment seriously and are committed to continuous change. Our goal is to steadily reduce our ecological footprint and produce sustainably.

# ADHESIVE FOAM TECHNOLOGY

MADE IN GERMANY

When selecting our performance foams, we place great emphasis on quality, grip and durability. In order to meet these requirements, we have our adhesive performance foams manufactured in Germany.

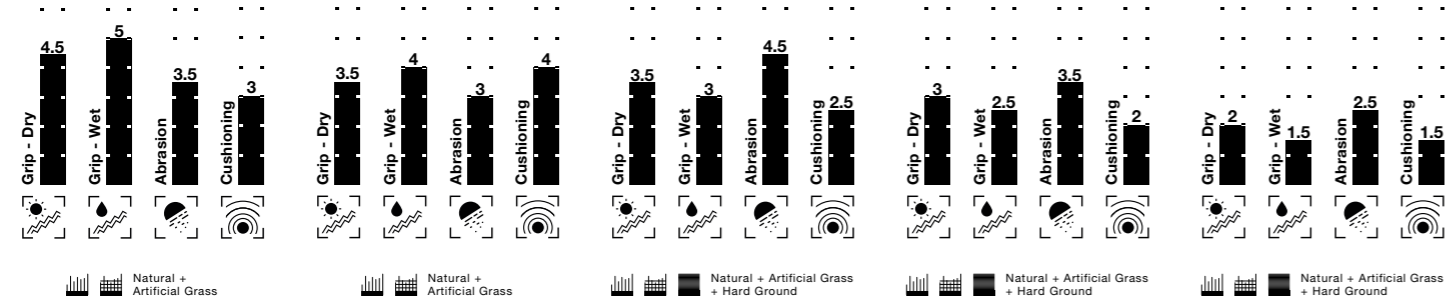

**ULTRAGRIP**   **SUPERGRIP+**   **ABSOLUTGRIP**   **SOFT**

**ULTRAGRIP** Your latest high-performance grip foam technology with maximum hold and top catching security. Strategically placed "High-Grip Lines" ensure reliable grip and outstanding performance.

**SUPERGRIP+** High-performance adhesive foam with the ultimate grip. The colour-neutral natural latex, combined with adhesive particles specially developed by uhlSport, provides maximum grip and the best possible ball control.

**ABSOLUTGRIP** Our high-performance adhesive foam all-rounder. The patented latex compound offers you the optimal balance between the best possible grip and abrasion resistance.

**SOFT** Our SOFT family is designed for all beginners and ambitious amateur athletes. The latex blend always differs in one aspect: the balance between grip and abrasion resistance. Which balance is right for you is entirely up to you.

**AQUA**   **RESIST+**

**AQUA** Our AQUA foams are your first choice for a wet match. Thanks to special AQUA additives, both our AQUAGRIP and our AQUASOFT guarantee particularly good performance in wet weather conditions.

**RESIST+** RESIST+ is what counts when the going gets tough. The latex compound specially developed for artificial turf and hard floors is based on optimised foam properties that are particularly abrasion-resistant and robust.

# FLEX FRAME CARBON

The innovative FLEX FRAME CARBON technology ensures maximum finger stabilization thanks to its innovative construction in combination with carbon-reinforced fibers. The new lightweight construction makes the frame hardly noticeable.

# FLEX FRAME

The innovative FLEX FRAME technology ensures optimal finger stabilization without compromising catch mobility. Innovative materials as well as the ergonomic construction of the frame ensure optimum flexibility and maximum support.

# CUT - TECHNOLOGY

**SKIN CUT** Internal seam construction and maximum grip area for a snug fit and high catching security.

**FINGER SURROUND CUT** Internal seam construction and maximum grip surface for a close fit and secure catching.

**HALF NEGATIVE CUT** Internal seam construction incl. finger gussets incorporated between the palms and the backs of the hands for an optimal fit and high wearing comfort.

**CLASSIC CUT** Outer seam construction incl. finger gussets incorporated between the palms and the backs of the hands for a wider fit and secure catching.
